

RETURN TO SPORT DURING COVID-19 RESTRICTIONS

We are pleased to advise that, in line with the most recent State Government guidelines, a limited return to sport is now permitted. As such, Council is pleased to provide restricted access to its facilities for your club/group to undertake community sport and recreation activities in line with the restrictions and any relevant State Sporting Association approvals, subject to the following conditions (**Return to Sport Conditions**).

1. Access to Council facilities is provided in line with existing arrangements between your club/group and Council. For tennis, bowls and croquet clubs this is a lease agreement between your club/group and Council; for other sporting clubs this is a seasonal allocation under the *Community Sport Management of Grounds Policy*. These Return to Sport Conditions are incorporated into the relevant lease or seasonal allocation agreement and conditions of use, and take precedence in the event of any inconsistency. If you breach these Return to Sports Conditions, Council may in its absolute discretion withdraw your right to access or use Council facilities and/or take any other action contemplated by the relevant lease or seasonal allocation agreement or conditions of use.
2. Prior to commencing use of Council facilities, you must provide a completed 'return to play' plan to Council, either on the template recommended by the State Government (attached) or containing the information required in the template.
3. Your club/group must take all steps necessary to provide a COVID-19 safe environment for all members. Without limitation, your club/group must implement and communicate good hygiene practices to prevent the spread of COVID-19. Your club/group must also comply with the following in respect of your access to, and use of, Council facilities:
 - (a) current State Government guidelines or directions applicable to COVID-19 restrictions, both generally and specifically in respect of your sporting activity;
 - (b) any guidelines issued by the state sporting association or peak body for your sporting activity (as amended from time to time);
 - (c) your club/group's return to play plan; and
 - (d) any directions or restrictions communicated by Council officers.

GLEN EIRA CITY COUNCIL

CORNER GLEN EIRA AND HAWTHORN ROADS, CAULFIELD, VIC
PO BOX 42, CAULFIELD SOUTH 3162

To indicate your club/group's acceptance of these Return to Sport Conditions, two delegated members of your club/group's committee should sign where indicated below, and this form should be returned to Council. Your club/group will not be able to commence using Council facilities until Council has received a signed form and your club/group's 'return to play' plan.

FOR SIGNATURE ON BEHALF OF YOUR CLUB/GROUP

Club or Group Name: CARNEGIE CRICKET CLUB

Signed: (1) [Signature] (2) [Signature]

Name: (1) Glen Murphy (2) ASHUTOSH KAPSE

Position: (1) Treasurer (2) COMMITTEE MEMBER & COVID OFFICER

Date: (1) 27/10/2020 (2) 27/10/2020

This form must be signed and returned to recservices@gleneira.vic.gov.au before the club may undertake training at the sportsgrounds listed in your seasonal allocation.
